ACADEMY LENGTHENS HOURS FOR VISITORS

U.S. AIR FORCE ACADEMY, Colo. — Officials here have announced longer hours the Academy will be open to visitors.

Effective today the Academy will be open from 6:30 a.m. until 8 p.m., seven days a week, said Staff Sgt. Nicole Kinney of the 10th Security Forces Squadron, who said the hours are longer to accommodate increased summer activities.

People wanting to visit the Academy should be prepared to show their driver's license, proof of insurance and vehicle registration. Additionally, all vehicles entering the Academy are subject to search.

Base officials also request visitors pay careful attention when driving on base as wild deer, turkeys and coyote are all commonly seen on and near Academy roadways. Additionally, base speed limits are typically lower than off base roads. Security Forces request drivers observe and obey the posted base limits.
